

## Why Sponsor Scholarships Through Your Local Dollars for Scholars Chapter?

- **Greater Visibility for Your Scholarship(s)**

Dollars for Scholars helps to promote scholarship sponsors by broadening recognition through the chapter's promotional efforts at awards ceremonies, in brochures, posters, award programs, donor listings, newsletters and more.

- **Avoids Duplication of Effort**

You get all the credit and Dollars for Scholars does all the work by designing, printing, distributing, collecting, and evaluating the application forms.

- **Better Distribution of Scholarship Dollars**

Existing sponsors no longer have to worry about selecting the same candidates as another organization.

More equitable distribution of local scholarships—more students are receiving more money.

Opportunity to join with other sponsors to provide the community with a single awards program.

- **Hassle Free Scholarship Selection**

Dollars for Scholars has a proven methodology--provides objective and professional evaluation of applicants through a process that assigns points for various student qualities without reference to student names during the scoring process.

- **More Applicants for Your Scholarship**

One easy application for a broad range of scholarships and a standard deadline date encourages students to apply for scholarships.

- **Make Your Scholarship Awards Stretch**

Thanks to Dollars for Scholars' Collegiate Partners Program, a large number of colleges have agreed not to reduce the student's financial aid package when a student receive a scholarship through a Dollars for Scholars chapter.

A growing number of colleges also agree to match sponsored awards when managed by a Dollars for Scholars chapter.

- **You Will be Helping Local School Guidance Counselors**

Common application form and selection process will free the counselor to focus on more pressing issues and have more time to assist students.

No multiple files for local scholarship application forms.

More students will be encouraged to apply.

- **You Will be Helping the Community**

Dollars for Scholars provides a single, coordinated, and recognizable plan for local scholarship giving.

Encourages more people to consider giving scholarships resulting in more scholarship opportunities for local students.

Increases public commitment to continuing education of local students.
